

A World of **Solutions**[™]

June 4, 2010

Dear Union Craftsperson:

The SONGS Unit 3 Cycle 16 Refueling Outage and Steam Generator Replacement are scheduled to begin on October 10, 2010. In response to changes implemented for the issuance of security badges at the San Onofre Nuclear Generating Station, all Personal History Questionnaires (PHQ) must be received at the Stone & Webster New Hire Office no later than August 13, 2010.

There are two types of PHQ's used to conduct a background investigation based on the date of last unescorted access at a nuclear facility. Due to PHQ's being submitted in advance, a "cut-off date" has been established to determine which PHQ should be submitted.

- Short Form PHQ, Rev. 14(03/10) – Should be completed by workers whose last unescorted access at a nuclear generating facility was favorably terminated **LESS** than 365 days (October 10, 2009 or thereafter).
- Long Form PHQ, Rev. 22 (03/10) – Should be completed by workers who have never held unescorted access at a nuclear generating facility or whose last access was favorably terminated **MORE** than 365 days (prior to October 10, 2009).

A Personal History Questionnaire (PHQ), Welding and Rigging Experience Questionnaire and a List of Local Union Contacts for the SONGS Jobsite have been attached. If you are interested in working at SONGS for the upcoming U3C16 Outage and Steam Generator Replacement, please complete and return all questionnaires to:

STONE & WEBSTER CONSTRUCTION, INC.
 14300 Mesa Road
 San Clemente, CA 92672
 Attn: Debbie Wilkey, Bldg. G48A

I would like to thank you for your support in the past and look forward to working with you in the future.

This letter does not constitute an offer of employment.

Sincerely,

Johnny R. Peterson

SUPPLEMENTAL INSTRUCTIONS FOR COMPLETING THE "LONG FORM" PHQ

The following is intended only to amplify the instructions for certain portions of the PHQ.

Please read the instructions for each page/section of the Personal History Questionnaire carefully!!

Section IV (Employment/Unemployment History): See Instructions on page 8 of 27.

Employment:

- Use full dates (month, day, and year).
- Indicate city & state of job location
- Provide at least the city & state of the employer's main office
- Telephone numbers are a "must". (Provide the main office number)
- Provide a "Reason for Leaving" such as RIF/ROF, layoff, quit. If you quit or were fired, give a brief explanation.

Unemployment: Simply means the time between your jobs. It has nothing to do with when or if you received compensation from the state.

- You must account for each day (even weekends between jobs).
- You must state an activity. Here are some examples:
 - Looked for work
 - Traveled to next job
 - Waiting to start next job (for weekend or 1 day situations)
 - Vacation

Use your spouse, other relative(s) or friend(s) to verify unemployment activities. **DO NOT** use the unemployment office, or your union local.

When complete, your employment/unemployment history should flow from one period to the next with no gaps.

Military Service: (See Page 12 of 27)

You only need to provide a DD Form 214 if you were on active duty as your primary job within the last three (3) years.

If the form is needed, please **DO NOT** send the original document. Send a copy showing the type and reason for discharge (at the bottom), and bring the original with you if are dispatched to report for this job.

Initial / Update

In order to meet the requirements of the Nuclear Regulatory Commission (NRC), the nuclear power plant (NPP) to which you are applying for unescorted access authorization requires that you consent to undergo a background screening process. The purpose of the screening process is to determine your trustworthiness and reliability to work within the protected and vital areas of an NPP. Information from this form will be used to conduct a background investigation for access authorization purposes as required by the NRC.

You must provide all information requested in a complete and accurate manner. Your signature on the document is your certification that the information you have provided is complete and correct. Providing deliberate or willfully misleading statements to any NPP with the intent to gain access is a violation of Federal regulations. Any misrepresentation, deliberate misstatement, falsification, or willful omission may constitute cause for denial or revocation of unescorted access authorization. Failure to report and list reasons for any previous suspension, revocation, or denial of unescorted access to an NPP or other entity subject to either the NRC access authorization or Fitness-for-Duty (FFD) regulation may be sufficient cause for denial or revocation of unescorted access authorization or security clearance. If such an instance is detected, the plant is required to advise the NRC. The NRC may investigate you and, if appropriate, criminal and civil sanctions may be imposed against you if deemed material by the NRC. When such instances have previously occurred, the result has been a lengthy (five-year) or permanent exclusion from work at nuclear power plants in the United States.

The facts concerning your criminal history or FFD record may be subject to interpretation due to varying categorizations of similar offenses between States. It is, therefore, required that you disclose all information that has any potential for being considered derogatory to minimize likelihood of discrepancies between the information you provided and that obtained from other sources. All information requested is needed for the purpose established by NRC regulation. Results of the investigation will be available as specified in your signed Consent form to entities authorized by the NRC pursuant to unescorted access authorization programs. In some of the sections of the PHQ, you are required to provide your personal information; in other sections, you will be required to acknowledge that you understand certain on-going requirements or personal responsibilities. The information requested may include any or all of the following topics: Verification of identity, self-disclosure data, employment/unemployment history (including military service and/or education in lieu of employment), criminal history, credit history, character references, residences, and fitness-for-duty history. When not in use, your written information is stored in a secure environment, which may include being electronically placed in a secure database, to prevent unauthorized disclosure of personal information.

SECTION VII – FINGERPRINT INFORMATION FOR FBI CRIMINAL HISTORY

The Nuclear Regulatory Commission regulation (10 CFR § 73.57) which implements Public Law 99-399 "Omnibus Diplomatic Security and Anti-Terrorism Act of 1986" requires licensees to take the fingerprints of persons seeking unescorted access to nuclear power facilities or access to safeguards information and submit those prints to the FBI (through the NRC), requesting criminal history checks.

Criminal history records are reviewed to assure that individuals with criminal histories impacting upon their trustworthiness and reliability are not permitted access to a nuclear facility or to safeguards information. If, after reviewing any criminal history record information provided by the FBI, you believe that it is incorrect or incomplete in any respect and wish to change, correct, or update the record or to explain any matter in the record, you may initiate challenge procedures. These procedures include direct application by you, challenging the criminal history record to the Assistant Director, Federal Bureau of Investigation, Identification Division, Washington DC 20537-9700. You will have ten (10) days to initiate action to challenge the FBI criminal history records information after it has been made available for your review.

Your criminal record or personal information collected and maintained as a result of the fingerprints may not be disclosed to persons other than yourself, your authorized representative, or to those who have a need to know the information in performing assigned duties in the process of granting or denying unescorted access to the nuclear power facility or access to safeguards information. The information obtained from a criminal history record check will be made available to any other NRC licensee pursuant to an access clearance for you at another facility.

Criminal history information obtained through the FBI may also be made available for examination by authorized representatives of the NRC in the course of their duties to determine compliance with regulations and laws. The criminal history record information will be retained as required by regulation after unescorted access to the nuclear power facility or to safeguards information has been denied or terminated.

- I have no additional comments concerning criminal history.

SECTION IX – ACKNOWLEDGMENT STATEMENT

I have read, understand, and acknowledge the purpose of this Personal History Questionnaire (PHQ) and that I have furnished the requested information under the stated conditions. I have read and understand the above information concerning NRC-required fingerprints and criminal history record.

The information that I have provided in this PHQ is correct and complete to the best of my knowledge and belief. I make this statement with knowledge that any false or misleading statement or omission of any fact may be sufficient cause for denial of Unescorted Access Authorization (UAA)/UA. I understand that the information I have provided in this form will be verified by authorized background investigators and will be used only for access authorization purposes.

I understand that if I am certified UAA or granted unescorted access, it is my responsibility, under the Behavior Observation Program (BOP), to report any legal action in accordance with Company procedures. I must also report any legal actions from the time I complete this PHQ until I am certified UAA or granted UA. An evaluation will be made regarding the impact of the legal action on UAA/UA. The determination of what constitutes a legal action is a matter of state law but, in general, the term legal action means:

A formal action taken by a law enforcement authority or court of law, including being held, detained, taken into custody, charged, arrested, indicted, fined, forfeited bond, cited, or convicted for a violation of any law, regulation or ordinance. This includes felony, misdemeanor, serious traffic offenses, serious civil or military charges (including non-judicial punishment); and the mandated implementation of a plan for treatment or mitigation in order to avoid a permanent record of an arrest or conviction in response to the following activities: (1) the use, sale, or possession of illegal drugs; (2) the abuse of legal drugs or alcohol; or the refusal to take a drug or alcohol test. It does not include minor misdemeanors such as parking tickets or minor civil actions such as zoning violations or minor traffic violations such as moving violations when the individual was not physically taken into custody.

I have been advised of my right to request to review the information developed to assure its accuracy and completeness. I understand that the information collected during the conduct of the background investigation will be retained and must be made available to any other nuclear power plant where I may request access. It will only be used in determining my eligibility to be certified UAA or granted UA. This information will be retained for a period of time after the last termination of my UAA/UA.

I have the following additional comments concerning this statement:

The information I have provided on this PHQ is accurate and correct.

NOTIFICATION OF LEGAL ACTION

Federal Regulations require that individuals applying for and who have been certified UAA or granted UA at Nuclear Power Plants to report LEGAL ACTIONS. A legal action will be judged based upon its potential to impact upon your trustworthiness. This is part of the Behavioral Observation Program.

I understand that if I am certified Unescorted Access Authorization (UAA)/granted unescorted access (UA) and/or Safeguards Information (SGI) access, it is my responsibility under the Behavioral Observation Program (BOP) to report any legal action to the Supervisor, Central Processing Facility, AND my supervisor, prior to entering the SONGS Protected Area but not later than the beginning of the next scheduled work shift (whichever is sooner). An evaluation will be made regarding the impact of the legal action (or conviction) on my UAA/UA and/or SGI access.

I understand that a legal action is defined as:

A formal action taken by a law enforcement authority or court of law, including being held, detained, taken into custody, charged, arrested, indicted, fined, forfeited bond, cited, or convicted for a violation of any law, regulation or ordinance. This includes felony, misdemeanor, serious traffic offenses, serious civil or military charges (including non-judicial punishment); and the mandated implementation of a plan for treatment or mitigation in order to avoid a permanent record of an arrest or conviction in response to the following activities: (1) the use, sale, or possession of illegal drugs; (2) the abuse of legal drugs or alcohol; or the refusal to take a drug or alcohol test. It does not include minor misdemeanors such as parking tickets or minor civil actions such as zoning violations or minor traffic violations such as moving violations when the individual was not physically taken into custody.

Failure to report such legal action could result in disciplinary action, up to and including termination. I understand that if I am unsure whether an incident involving law enforcement is a reportable event, the question should be raised with the Supervisor, Central Processing Facility for clarification.

I also understand that cognizant management/supervision shall immediately notify the Supervisor, Central Processing Facility (or the Security Shift Commander after normal CPF business hours) whenever they become aware of an employee's legal action as defined as above.

By my signature below, I certify that I have read this notification and understand my obligation to report legal actions.

CONSENT FORM

1. Southern California Edison has my consent to:
 - a. Collect personal information about me in order to verify the information's accuracy;
 - b. Conduct a background investigation (BI) in accordance with U. S. Nuclear Regulatory Commission (NRC) regulations to verify information I have provided on a Personal History Questionnaire and other information, as necessary;
 - c. Retain personal information provided for investigation; and
 - d. Transfer information from other licensees, as necessary, including information pertaining to the denial of unescorted access authorization (UAA) or unescorted Access (UA) to determine whether to grant me unescorted access to a U. S. NRC-licensed facility and to allow me to maintain such access.
2. The information collected will only be used for the purposes of determining UAA, UA, or separate fitness-for-duty (FFD) authorization in accordance with 10 CFR Part 26, Fitness-for-Duty Programs, unless I provide a separate release to the licensee for another purpose.
3. I understand that evidence of criminal conduct detected during the conduct of a BI must be reported to the appropriate law enforcement agency.
4. I authorize the use of signed copies of this consent to be used in place of an originally signed consent document.
5. The NRC requires that the information collected be used in determining that an individual is trustworthy, reliable, and fit for duty prior to granting and while maintaining UAA/UA. The results of this determination must be available to other NRC licensed facilities.
6. Any of the following actions related to the providing and sharing the personal information is sufficient cause for denial or unfavorable termination of UAA/UA:
 - a. Refusal to provide written consent for the suitable inquiry;

 - d. Failure to report any legal actions.
7. I understand that the domestic commercial nuclear industry uses a computerized, restricted-access data system, the Personnel Access Data System (PADS), to share information necessary to process applications of workers for unescorted access to NRC-licensed facilities. I further understand that this _____ system is intended to permit NRC-licensed facility licensees and their accepted contractors/vendors to meet regulatory requirements mandating that certain information be available to any facility licensee by retaining certain access information in a central computer database.

**A SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT
REPORTING ACT**

(Para informacion en espanol, visite www.ftc.gov/credit o escribe a la FTC Consumer Response Center, Room 130-A 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.)

The federal Fair Credit Reporting Act (FCRA) promotes accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.ftc.gov/credit or write to: Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.

- ◆ **You must be told if information in your file has been used against you.** Anyone who uses credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.

- ◆ **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your "file disclosure"). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identify theft and place a fraud alert in your file;
 - a person has taken adverse action against you because of information in your credit report;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days. In addition, by September 2005 all consumers will be entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.ftc.gov/credit for additional information.

- ◆ **You have the right to ask for a credit score.** Credit scores are numerical summaries of your creditworthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.

- ◆ **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.ftc.gov/credit for an explanation of dispute procedures.

- ◆ **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.

- ◆ **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- ◆ **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need -- usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- ◆ **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.ftc.gov/credit.
- ◆ **You may limit "prescreened" offers of credit and insurance you get based on information in your credit report.** Unsolicited "prescreened" offers of credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- ◆ **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- ◆ **Identify theft victims and active duty military personnel have additional rights.** For more information, visit www.ftc.gov/credit.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. Federal enforcers are:
